

V-PRESS 610 ECO BALING PRESS

Specification

The V-Press 610 eco Baling Press is ideal for those seeking to minimise the space taken up by waste products and make it more manageable.

The V-Press 610 eco Baling Press is ideal for Industry and Manufacturing, Recycling & Disposal, Logistics and Distribution, Print and Packaging.

The entire pressing cycle, beginning with closing the door, is fully automatic. A text display informs you in detail about the respective status of the process. When the pressing procedure comes to an end, the sliding door opens automatically. Extracting the bale is simple and easy, and it can be comfortably transported on a pallet.

The balers are easy to operate, safe to use and backed by a network of our own engineers to ensure maximum reliability.

Technical Information

Pressing Power	120 kN
Power Requirement	3-phase
Cycle Time	22 Seconds
Loading Aperture	800 mm x 495 mm
Bale Size	800mm x 600mm x 600mm
Bale Weight	100kg (Depending on material)
Width x Height x Depth	1190 x 1980 x 815 mm
Overall Weight	539 kg
Number of strappings	3
Strapping material	Tape
